To: Louisiana Ethics Administration Program

From: Allison Nihart, Teacher, St. Tammany Parish School Board

Owner, American All-Star, LLC

To Whom It May Concern:

I am seeking an advisory opinion on the following situation:

I am currently a school teacher with the St. Tammany Parish School Board and also a small business owner, the business being American All-Star, LLC.

American All-Star, LLC is a dance event business, servicing the gulf coast region, Nevada, and Texas. The company provides choreography, dance instruction, and leadership strategies to elementary, middle, high school public and private institutions by way of "summer dance camps". The company also hosts multiple dance competitions open to all dance groups. Teams pay registration "fees" to participate in the dance camps and the competitions. These fees thereby pay for the expenses of offering and conducting the "event."

A small number of St. Tammany Parish school dance teams (approximately 3 - 5 teams) participate in these AAS events yearly.

Are any Louisiana Board of Ethics rules being violated as I am the owner of AAS and also an employee of the St Tammany Parish School Board.

Please advise,

Allison B Nihart
